

Help! An Alien Has Taken Over My Teen!

- A Class in Understanding Your Teen's Behavior

In this free action-packed seminar, parents will learn:

- ◆ how teens communicate
- ◆ why teens engage in certain behaviors
- ◆ strategies to communicate more effectively with your teen
- ◆ what makes the teen years unique.

You will leave with a better understanding of your teen!

Presented by Diane Auten, owner of Competent Communications and consultant in the area of communication. Diane is a full-time college instructor, wife and mother with ample opportunities to test her skills. See her website at competentcommunications.com

Join us at San Luis Obispo High School in the Lecture Demo Room (#516) on February 15, 2012, 7-9 PM
