

Postpartum Depression Support Group

We are with you all the way

Feel more confident about parenting.

► Postpartum Support Group – Meets Monthly

Third Wednesday of every month from noon – 1:30pm.

For new mothers experiencing the baby blues, or are having difficulty adjusting to motherhood, this support group is facilitated by a Licensed Clinical Social Worker (LCSW). Babies and support persons welcomed!

Topics:

- Teaching positive coping skills
- Providing support and education
- Understanding the risk factors and symptoms of postpartum depression
- Strategies for successfully overcoming the new challenges of motherhood
- Q & A

Postpartum classes & support groups are complimentary.

No registration is required.

For questions, call **(805) 434-4965**.
