

Parents Helping Parents

Serving Families of Children with Special Needs

Creative time for YOU: come in with or without your kids and let's talk about what we LOVE about our child and positive reinforcement

We will have craft supplies out and some ideas for making a large Valentine to your child that focuses on the POSITIVE, as well as resources for positive reinforcement.

As always, meeting other families on a similar journey is a chance to talk about the things we may have in common: behavior, communication, IEPs, etc, etc.
