

Parent Workshop for "Kidz Toolbox for Personal Safety", *Working as a team to keep our children safe*

The purpose of the workshop is to review the Kidz Toolbox for Personal Safety curriculum, educate and empower our children.

November 17, 2021 | 6 - 7:30 pm

Topics to review:

- **Statistics and how to identify and address child sexual abuse**
- **Coach families on the importance of building assertiveness skills in children and how to encourage children to ask for help when they have an issue**
- **Learn tools to help support and reinforce the conversation around this important topic**
- **Overview of the "Kidz Toolbox for Personal Safety" program curriculum for Kindergarten and Grade 2 students in SLO County.**
