**POSITIVE OPPORTUNITIES FOR
PARENTING SUCCESS**

POPS2 parenting group:

A group for Dads and their co-caregivers who would like to build a stronger relationship with their child(ren), learn new ways to communicate and promote positive behavior. Help create a valuable support system in your community!

Our groups provide you and your family with:

- Family-style meals
- On-site childcare
- Hands-on activities led by therapists
- One-on-one support to access community resources
